C++

PERSONAL PROJECTS

Rice Mill - Website (08/2020 - 09/2020)

- Designed and Developed a Rice Mill Association's website.
- I developed the complete front-end part of the website. (With dark and light mode embedded)

Weathery - Website (06/2020 - 06/2020)

- A Weather app with cool UI elements which dynamically changes with the time and location. I used an API to fetch data.
